MENACOMM 2027

7th Middle East and North Africa COMMunications Conference

Intelligent Communications: Connecting Networks, Data, and Society

Hybrid: in-person & virtual

1-3 December 2027, Montbéliard, France

Université Marie et Louis Pasteur

Partners & Technical Sponsors

Scope

IEEE MENACOMM 2027 will take place in an inspiring academic, industrial, and cultural environment, offering a rich program of technical sessions, workshops, keynote speeches, networking opportunities, social events, and community engagement activities designed to foster collaboration, innovation, and knowledge exchange.
You are invited to submit original papers in the topics that include but are not limited to:

Emerging Communication Technologies
Suman Bhunia
Miami University, USA

Communications and Cybersecurity
Maroun Chamoun
Saint-Joseph University, Lebanon
Rida Khatoun
Telecom Paris, France
Christophe Guyeux
Université Marie et Louis Pasteur, France

Cyber-Physical Systems
Fathi Amsaad
Wright State University, USA
Moufida Maimour
Université de Lorraine, France

Physical Layer and Signal Processing for Communications
Elias Alwan
Florida International University, USA
Chadi Abou-Rjeily
Lebanese American University, Lebanon
Hamzah Issa
Beirut Arab University, Lebanon

AI/ML and Data Analytics for Comm.
Mohamed Nassar
University of New Haven, USA
Ahmad EL Hajj
American University of Beirut, Lebanon
Michel Salomon
Univesité Marie et Louis Pasteur, France

Communication & Networking
Sahar Hoteit
Université Paris Saclay, France

Intelligent IoT and Sensor Networks
Kabalan Chaccour
Antonine University, Lebanon
Joseph Azar
Université Marie et Louis Pasteur, France
Hassan Harb
American University of the Middle East, Kuwait

AI for Smart Cities Apps
Nelly El-Sayed
University of Cincinnati, USA
Philippe Canalda
Université Marie et Louis Pasteur, France

MENACOMM 2027 will propose a set of technical presentations made by internationally recognized researchers and experts. The target audience ranges from Senior researchers to Ph.D., Master and undergraduate students. Researchers and engineers from companies are welcome and may greatly benefit from the broad vision provided by this conference.
All accepted papers will be submitted for publication to IEEE Xplore (Scopus indexed).

Paper Submission	**June 01, 2027**
Notification:	September 01, 2027
Early Bird Registration	October 01, 2027

General Chairs
Benoît Piranda
Université Marie et Louis Pasteur, France
Abdallah Makhoul
Université Marie et Louis Pasteur, France
Jacques Demerjian
Lebanese University, Lebanon

Technical Program Chairs
Pascal Lorenz
Université de Haute Alsace, France
Jacques Bou Abdo
University of Cincinnati, USA
Ali Mansour
ENSTA, France

Publication Chair
Sarah Al-Shareeda
Universiti Malaya, Malaysia

Finance Chair
Ahmad EL Hajj
American University of Beirut, Lebanon

EDAS Chair
Mohammed Husseini
American University of the Middle East, Kuwait
Sarah Al-Shareeda
Universiti Malaya, Malaysia

Workshop Chairs
Roher Achkar
Antonine University, Lebanon
Christophe Guyeux
Université Marie et Louis Pasteur, France

Web Chairs
Salim Elliye
OSITCOM, Lebanon
Siddique Abubakr Muntaka
University of Cincinnati, USA

Steering Committee
Tarek Bejaoui
University of Carthage, Tunisia
Sara Abou Chakra
Lebanese University, Lebanon
Mohab Mangoud
Bahrain University, Bahrain
Jacques Demerjian
Lebanese University, Lebanon
Bachar El Hassan
Lebanese University, Lebanon
Abdullah Alqallaf
Kuwait University, Kuwait
Ala' Khalifeh
German Jordan University, Jordan
Abdullah Almuttiri
Qassim University, Saudi Arabia
